

Catechesis of the Good Shepherd

Donation List

Catechesis of the Good Shepherd (CGS) is a Roman Catholic religious formation for children ages 3 to 12. CGS is based on the Bible and the liturgy of the Catholic Church; it is inspired by the principles of Montessori education. CGS will start this fall at St. Monica School for school and parish children ages 3-6. In order to reduce the startup costs, we've created a list of items we hope to have donated. If you'd be willing to donate any of these items, we'd greatly appreciate it. Used items are okay!

We are also in need of a wood worker and people with artistic talents of any kind!

Are you interested in helping or have questions about the donation list?

Items can be dropped off at the school or parish office labeled "CGS".
Thank you!
